# My family

My family is not very big. I have two brothers and one sister. They live in Dublin. My sister has three children (2 boys and 1 girl) and my brother has two children (1 boy and 1 girl). I have two three nephews and two nieces. I am their uncle.

I have one daughter. Her name is Jenny. She is three years old. She likes painting and doing puzzles. Jenny has two uncles and one aunt. She has two grandmothers and two grandfathers. She is very funny!

**Can you find all the family words in the text?**
