Easter

Easter is a Christian festival. It is in spring.
There are three important days at Easter.

The first day is called 'Good Friday'. On this day Jesus died. On this day many people eat fish. Pubs are closed in Ireland.

On Easter Sunday many people go to church.
Children like this day. They eat chocolate
eggs.

Easter Monday is a bank holiday. Many places are closed. Schools and banks are closed.

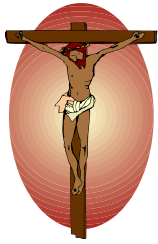

Sometimes people send Easter cards. At Easter we can see pictures of the Easter bunny.

HAPPY EASTER!
