

## A visit to a Farmer's Market

My name is Susan. I am a school **teacher**.  
I am 30 **years** old. I am from Galway but I live in Dublin. I live **near** a river. I like my **house** because I can **hear** the **sound** of the **stream** every **day**. I hear the birds singing in the **trees**. Sometimes I see a fox and sometimes I see a heron.

I work 5 days per **week**. I have **free** time at the weekend.  
Every Saturday I visit the Farmer's Market.  
There is always a **crowd** of people. They **chat** and talk.  
They are very **loud**. **Children play** hopscotch and run **around**.  
Everybody is **happy**. The food is fresh and healthy.

I buy many fruits and vegetables. I like **peaches**, apples and bananas but I don't like pineapple. I **really** like spinach but I hate broccoli. I **pay** for my food and I sit **down** with my friends. I **eat** a **beef** sandwich and drink a cup of **green tea**. I usually have **ice-cream** when it is a **sunny** day. I **leave** the farmer's market at 4pm. I am a little sad. But I **say** to myself, "*Tomorrow is another day!*"
