

This is Doctor Hawa Abdi and her daughter, Doctor Amina Mohamed. Doctor Hawa is 63 years old. She lives and works in Somalia.

In 1983, she opened a small one-room clinic. Today, it is very big. The hospital has 400 beds. She also has a school for 850 children. She teaches reading and writing classes and also health information for women. She manages a small jail, for men who beat their wives.

Dr Hawa says, " We women in Somalia are trying to be leaders in our community."

Some people in Somalia do not like her. They attacked her hospital with many soldiers. They closed the hospital. Many Somalis in the world did not agree with these people. Later, the hospital opened again and today, Dr Hawa travels to many countries to get money for her hospital.
