Marcela's week

My name is Marcela. I am separated. I am a very busy woman. I work 5 days per week. I am a travel agent. I help organise people's holidays. This is my week.

On **Monday**, I wake up at 7am. I **make my bed**. I help my children get ready for school. I leave my house at 8.30 am.

On **Tuesday**, I finish work at 5pm. I collect my children from the crèche. I **set the table** at 6.30 pm and we eat dinner at 7pm.

On **Wednesday**, I finish work at 1pm. I **do the shopping**. I have 3 children. I buy a lot of food! Every evening my children *take turns* to **do the washing up**.

On **Thursday**, I finish work at 8pm. When I get home, I **do the hoovering**. I sometimes watch a DVD in the evenings.

On **Friday**, there is always a lot of dirty clothes. After work, I **do the washing**. My children **hang the clothes** on the line. In the evening I go to yoga class to relax.

On **Saturday**, I get up early. My husband takes our children to his house. They stay with him on Saturday night. In the afternoon, I **do the cleaning** and when the clothes are dry, I **do the ironing**. Sometimes I go out with my friends on Saturday night. I really enjoy a glass of wine from time to time.

On **Sunday**, I stay in bed late. In the afternoon, I **do the recycling**. My children come home in the evening and we have dinner together. That is my week.

Please answer the following questions

1. What is her name ?

2. Is she married ?

3. How many days per week does Marcela work ?

4. What is her occupation ?

5. What time does she wake up on **Monday** ?
