

My name is Fatima. I am your friend.

I am from Guinea. I live in Dublin 15.

I live with my family: 3 daughters, 1 son, and one granddaughter. Her name is Fatoumata.

I came to Ireland in 2019.

I came to Ireland because my husband died, and we had no money and no house.

I never went to school in Guinea.

Now, I am very happy because I come to English class 3 days per week.

In the future, I would like to work in a hospital.
