

My name is Mohamed.  
I am your friend.  
I am from Somalia.  
I live in Dublin 6.

I came to Ireland in 2017.  
In 2015, I left Mogadishu and flew to Turkey.

I stayed in Istanbul for six months.  
Then, I travelled to Greece by boat.  
The journey took 3 hours.

I lived in Athens for nine months.  
I didn't like Athens because I didn't have a good life.

After Greece, I went to Norway, but I couldn't stay there  
because my application was rejected.

After 2 and a half years in Norway, I came to Ireland.

In my free time, I like to read the Somali-English dictionary  
and the Qur'an.

In the future, I would like to do security work.
