

This is Doctor Hawa Abdi and her daughter, Doctor Amina Mohamed. Doctor Hawa was 73 years old when she died. She lived and worked in Somalia.

In 1983, she opened a small one-room clinic. Today, it is very big. The hospital has 400 beds. She also opened a school for 850 children. She taught reading and writing classes and health information for women. She managed a small jail, for men who beat their wives.

Dr Hawa said, "We women in Somalia are trying to be leaders in our community."

Some people in Somalia did not like her. They attacked her hospital with many soldiers. They closed the hospital. Many Somalis in the world did not agree with these people. Later, the hospital opened again. Dr Hawa travelled to many countries to get money for her hospital.
