

will / going to / present continuous - Future Actions

James

I'm going to travel to Estonia this summer. I'm going to stay for 1 week in a hotel and then I'm going to go camping for a week. I'm going to go with my best friend, Frank. We're going to rent a car when we get there. We're going to try to see many different places. I'm looking forward to it.

I'm not sure what I'll do this weekend. I think I will do some exercise, maybe go for a walk or a run. I think I will visit my aunt Katie. She is getting a bit old now and she likes the company. I don't think I'll go out at night, but I think I will call over to Frank's house. We'll probably go for a coffee or something.

I'm meeting a new client next Tuesday. He's arriving from the UK on Tuesday morning. I'm bringing him for lunch in Dublin. He's leaving that afternoon. I hope the business meeting goes well.

Elizabeth

I think I'll cook spaghetti bolognese for dinner this evening. I think I'll go to Tesco on the way home to buy some ingredients. I think I'll ask my friend Fiona over for dinner. I know she likes Italian food. I don't think I'll get any wine because I'm working tomorrow morning.

I'm having lunch with Paul this Saturday. He's my new boyfriend. After lunch he's bringing me to the cinema. Afterwards we will probably have a drink at the new wine bar in the city.

I'm going to look for a new job this year. I don't like the job I have. I am a waitress in a very busy restaurant. I'm going to look for a less busy job. I'm going to make a new CV and write a new cover letter. I'm going to look online every day to see if there are any new jobs available.

Write in the missing verbs:

James

I'm going to _____ to Estonia this summer. I'm going to _____ for 1 week in a hotel and then I'm going to _____ camping for a week. I'm going to _____ with my best friend, Frank.
